AMENDMENT AFTER NOTICE OF ALLOWANCE
PURSUANT TO 37 C.F.R. §1.312

Sir:

Pursuant to 37 C.F.R. 1.312 (Rule 312), Applicant respectfully requests entry of the following amendments to the ABSTRACT and SUMMARY OF THE INVENTION sections of the application. Be advised that these two sections were previously amended in a Preliminary Amendment dated 14 November 2003. Consequently the revisions proposed herein are to be applied to, and in fact supersede those made in, the Preliminary Amendment.

In an Office Action mailed 13 June 2005, Applicant received a Notice of Allowance notifying him that the above-identified application was allowed. Applicants therefore now propose to amend the ABSTRACT and SUMMARY OF THE INVENTION sections of the application merely so that they comport with the invention as claimed. The proposed amendments to the claims will neither affect the claims nor require any substantial work on the part of the Patent Office.
